“ To a man that gave my sister real love and the most amazing child in the world; you were a beautiful soul!

*You tried to give your best but sometimes less is more.*

*I finally have forgiven you and I hope you know in your afterlife, I believe you can make it better than you can ever imagine.*

*I know you have the best view of your son growing and your wife loving you for the rest of her being and after.*

*You had a hard life, and wanted to change... But it is hard to snap your fingers and make it so, so soon.*

*But just know your love conquers any being in this life.*

*Cindle and Sabriel will be meeting you on the other side, waiting to greet your soaring love for them.*

*To my brother, a beautiful soul, I love you and your essence will be here with me for the rest of time. Even into the afterlife.*
