“Those who are truly loved never truly die” and Joely Boy was truly loved.

We are so glad that we were able to come from England to join Kerrie, Kyle, Joel Sr & all the many friends & acquaintances of Joely in coming to pay our respects to him at his funeral service.

It was a truly wonderful service with so much love and high regard shown for Joely and Pastor Sam, Kerrie and Joel gave such moving eulogies to him too.

God bless you, Joel, you will always be deeply loved, cherished and never forgotten.

All the love in the world from your Auntie Nicky, Uncle Mark & all of your family in England xxxxx

“Kerrie... Unfortunately I never got to know Joel for the fine young man everyone is saying he grew up to be... I only remember him crawling around both our houses in Guernsey and London. I watched a few of his Youtube videos and his accent made smile! I don't have any words to use right now to express how sorry I am for the loss of your child. You are experiencing a level of pain and loss that most people can't imagine and will fortunately never experience. I am praying that God would bring you and Kyle comfort.”

“I've known Joel since kindergarten and he and I had an instant bond. We've always done many things together like basketball, baseball, football, and countless hangouts. I've never had a better and compassionate friend like Joel. He will truly be missed and I send these pictures as just one of the many memories he and I had together. Love Zach de Kanter.

“ *I had the pleasure of teaching Joel in 7th and 8th grade, and he was the highlight of each and every day. From his card tricks to his jokes and his raps, Joel loved entertaining his classmates. The last day of 8th grade last year Joel performed his rap song on stage. The kids stood and cheered and shouted "Joel-Money" (his rap name). I'm so lucky to have known him.*
