“ *Papa it is the first Thanksgiving with out you. I went to see you today at Skiatook grave yard, and my daddy and I took the Grand Am and I brought my big bear to take pictures on your grave. I love you Papa. We use to go see you in Tulsa, at your house and now we go to see you in Skiatook.*

*“ Daddy you were there for me so many times. And when I thought my life was over, it was you who told me, that my life was not over and that I would go on and marry and have a family. You were so right, and now your youngest grandchild Jaxson John Governor Cantrell was named after you. Yes, I will see you again, in heaven!!!*
