“ *Unfortunately, illness kept me from attending the services today, but please know that my prayers and love were there in abundance. Uncle John was a treasure. He and I shared a bond that was never broken. He was one of the most intelligent, interesting and fun people I have ever had the honor of knowing. I could sit and listen to his stories as long as he would tell them. He will be so missed. Rest now, John. I'll see you again. My sincerest condolences to the family. May God bring you comfort.*
