“ *The Reed family has been such a blessing as neighbors for the last ten years. They always made you feel like family. If you had a good story, John had one to match it. There's not much that man hasn't done or seen. He will be sorely missed.*

“ *Our family was so blessed to have John in our lives. John and Harry were such good buddies . My boys talked often about the time John took them "spelunking" and how much fun they had. My deepest sympathy to Sharon and all of John's family.*
