“ *Layton, my friend:*

I miss you terribly and am glad we got to spend some time together the night before; I miss your silly laugh, your goofy antics, and your wonderful sense of humor. I enjoyed the amazing meals that you cooked at my house, you were such a good cook! I will miss every little thing about you....you were a a good friend to me. You were generous and kind-hearted and always helped out a friend in need, even if it was giving me boards for shelves. I will always remember the fun we had racing sea horses noodles in the pool and how hard we laughed. I'll never forget you.

Your friend always, Ashley Davis
