“ He will be missed daily. He always watched over us neighbors, and worried about our health. His loss has left a hole in this world, and I am grieving for his family. Anita is a kind soul who balanced John well. I hope she knows we're here for her and his family.

“ I'm shocked, so sorry to hear. John and I go back to the McDonald Auto Parts days. A very good craftsman and even better person. Although I hadn't seen John in a few years I always considered him a friend. They don't make them like John anymore. Condolences to Anita ,Scott, and the rest of the family.

“ Nita, Scott and Butch, I was so shocked and saddened by the news of Johnny's passing! He was so very loved by my whole family! We grew up together and ours families did almost everything together. Though now years may go by before he and I would see each other, it was like we just parted the day before. He could always make me laugh and, he made the greatest jerkey! My prayers are with you all. Johnny will be missed by so many people and I am just one of them. Love to all of you!
