“ Ardene, I am so sorry to learn of Johnny's death. What a kind, gentle person he has always been. I kept hoping that since we both lived in Bartlesville now, we could get together, but COVID hit and I could never find your address or phone number. I would have loved to sit and visit with Johnny and you. He will always be one of the favorite people I had the privilege of knowing. My prayers for comfort for you and all your family.
