Joe was the best. He took me on my first big road trip. From N.H. to calf. I lived with him and others for about a year. That how I became to live on the West side of the states. We had a great time. I will miss him and always love him.

“ *My son went to school with his grandson, Christian Karr. Mr. Berry was at the great majority of sporting & school events the boys were in. He was so kind, supportive, and one of biggest fans there. I'm sure he was partial to his grandson, but he cheered on & encouraged every single one of those boys as if they were his own! Heather, thanks for sharing your stepdad with all of us. I'm blessed to have known him. My thoughts are with the entire family. With love and prayers, Kristen Lovins*
