“ *Though God called you home before we could get to know you, you will always be in our hearts and in our memories. We loved you as you grew in your mommy's belly and we shall always love you. When we send you on your journey to heaven you shall take a piece of my heart with you and you will know that I am always with you. I love Joseph and shall always carry you in my heart.*

“ *We love you Molly. We know how much you were looking forward to meeting this little one. You will meet him one day. It will just be a little longer than we thought. You are in our thoughts and prayers. Hugs and kisses.*
