“ *2002-2003 I remember at the shop his dad had at the time We, my gf and I were living in the Apt part. She worked for Judy and Jerry at the time and there was another really big room full of white boxes of comics books all organized and in order, Joe could tell you about each story in each one, when it came out, he knew his comic. Years later he lived across street from me and my sister in trailer park on west side we had blast hanging out with him.. You WILL BE MISSED MY FRIEND GOD SPEED..*
