“ *Dear Ones*

My heart aches with deep sadness with the Earthly Loss of this precious friend of more than 50 years. The fun and great times we shared together, the long phone calls, her voice on the line. A True Blessing for me

We all rejoyce though in the knowlege, that once more she is waiting for us to join "links" with her around God's Great Heavenly Throne with our Love and friendship

“ Cindy, Brenda, Jim, Terry, Dede, Jerry--

My heart and prayers go out to each of you. Am so very saddened to hear of Jo's passing. So many years have passed since we ran around in that Iowa yard. Your mother was always a saint to me as a child. And now, she is truly with the angels. May you find peace through the tears and sorrow.
