“ Mimi, There are a million things to thank you for and there aren't words I can put together to describe the gratitude and happiness I have that you are my Mimi. Thank you for my dad and aunt Susie and teaching them to live with such kindness. I know they learned to love because of how you loved them. Thank you for always having my favorite kind of cereal and candy at your house when I came over. Thank you for all the small trinkets you found and thought to give me. Thank you for always holding my hand and petting my hair when I say by you. Thank you for showing me so much love all of my life. Thank you for every memory I have of you and for every moment you shared with me. There's no other person in the world I know who is as kind and giving as you are and I'll strive to live like you did for the rest of my life. I will continue to make you proud and I will miss you every day. A piece of my heart will always be yours. Love and million kisses, Mad-Maddie, your baby girl.

“*My Dearest Aunt Gertie: I think of you and I hear your sweet voice and laughter as if you are right there in front of me. I know you are in a better place now, but I cannot hide the tears and the heartache I feel inside knowing that you are gone. As difficult as it is for me and for our family, I know God needed His Angel to come home. You have taken your place in Heaven right next to your Mom, Dad and all our other family members that have gone before us. In time our pain will begin to ease just a little and the happy memories of you will dry our tears, but you will be missed every second, of every minute and what I wouldn't give to have you back with us. When you went to Heaven, you did not go alone, for a part of us went with you. I have so many fond memories of you especially seeing you at the airport every time I flew into and out of Tulsa. The countless times I was able to see you and spend time with you at the airport, those were moments I will treasure forever. You would always call my Mum to confirm what time my flight was coming in so you could make sure you were there on time to greet me at the gate. I always felt very special being the only passenger coming off the plane being greeted by my Aunt at the gate. You always had a big smile and big hug for me, even brought me a balloon bouquet! I always looked forward to seeing you and you were always so happy to see me too. We would chat and laugh on our way to baggage claim. I remember the time that we practically sprinted through the airport so I could point out the movie star that I had just sat next to on the plane from Los Angeles! Oh the laughs we had! We had a very special bond and we became close over the years. You meant a lot to me. I don't recall a time that you weren't smiling or cheerful. You were always such a sweet and happy person, never had a bad word to say about anyone. Just a happy spirited person and you set a good example of how we should all be towards others. Your family could always count on you. I will miss you very much, I already do. You will remain in our hearts always and forever. May you rest in peace and feel the sunshine on your beautiful face every day in Heaven. I will always love you, Aunt Gertie. Michael adored you; he loves and misses you too. Love Always, Your Niece, Valerie In Loving Memory of my Aunt Gertie: ~Eternal Light~ Those we love*

must someday pass beyond our present sight. Must leave us and the world we know without their radiant light. But we know that like a candle their lovely light will surely shine to brighten up another place more perfect, more divine. And in the realm of Heaven where they shine so warm and bright. Our loved ones live forevermore in God's eternal light.
