“ Joy was my tap dance teacher in Ochelata. That was so many years ago but I never have forgot what a good teach and friend she was. She love people. I have tried to patter my life by what she taught me. The last time I saw her was when my brother move to the home and we had dinner with Joy one night. She never changed. I loved her. She was my big sister. She taught me so much besides Tap dancing. Imogene Peaster

“ Joy was always kind and so sweet. I have so many memories of her over the past fifty years. After Grandpa and Grandma Sturm passed away. Joy would pop in at my house for a visit on Thanksgiving and Christmas. She teased me about not having a scratcher when we washed dishes one year and that was a running joke as she always brought one every year after that She always found a way to make you smile no matter how down or sad you were. Heaven gained a beautiful soul. Thoughts and prayers to Danny and Kristi and family.
