“ *Wayne and family, I'm so very sorry for your loss. You were like family , I always felt like Wayne and Joyce were like my aunt and uncle instead of just good friends. The night we lost our sister, Joyce sit with us and prayed with us the entire night. We talked about old times and it was just a blessing to have her with us... Joyce you will be missed terribly but I have no doubt their was a line of loved ones, including our parents and sister to welcome you with open arms. I pray for peace for your family Wayne... just remember God will be with you every step of the way. Love you all.*

“ *Oh My Sweet Joyce, you were a blast to take care of. I remember the night shift at barnsdall with you...how I would sneak through the bathroom and scare you just to hear you say your so damn onrey now let's go smoke. Or the nights we'd go down the halls yelling bow chica bow wow! When Wayne came to visit he always brought you that popcorn you loved and Chance bringing his precious lil girl. Joyce you were a precious lady and a gift from god. I love you fly high with the angels sweet lady.*
