“ Have known Joyce all of my life! We started first grade together in the three story rock school house, our teacher was Miss Jenson....I remember many birthday parties we shared, at her house and mine. It is so hard to lose a friend like Joyce. Will miss her every day, but such good memories.....

“Joyce was a dear friend and colleague of ours for many years. That she raised three good and gracious girls is a tribute to the life she lived. She was an educator at heart and continued to serve her school and community long after retirement. We will miss you, Joyce. Wilma and Andy

“Joyce Hurt ....words fail me. She was my friend and my co-worker in the Lord. Joyce was faithful to our Sunday School Class, and a willing hand in any endeavor. Her offeratories could give you chill bumps. Storues of herr contributions to the success of my daughters specifically and to many others will be repeated for many years to come. Simply said...I loved Joyce Hurt with all my heart.

“ Joyce was my brother’s mother- in- law. She became my friend right away. We sent each other birthday cards and we both knew how lucky we were to be a part of such strong loving and dedicated families. I understand the loss that Joe, and the entire family will feel.

*But, she left strong charactered girls and grandsons to live life as she did.*
