“ *Early this week our worlds loss was Heaven’s gain. I loved my grandma with all my heart and my last words to her were exactly that. I will miss her and the jokes she always had, but more importantly I will miss her giving me a hug. I know that I will see her again when it is my time. For now she will be looking down on me and watching out for me. I hope I make you proud in all I do Grandma. Miss you lots and sending you a great big hug! Until we meet again may you enjoy your eternal life with all of our family who have passed and have been waiting to welcome you HOME!*
