“ *The Barlow family. Precious memories. Loved my time many summers ago that I spent with Danny and Steve. Watching them play baseball and keeping them from killing each other when they fought. LOL*

Loved the fact I was Aunt Joyce's flower girl when she was crowned Football Queen. Even though those memories are in pictures I see.

To me, the pictures make it real.

I always thought it was cool, I had an aunt with 12 fingers. And that there were 12 Shelton's.

I will treasure my memories of the Barlow family.
