Julie Ann (Baker) Lemon peacefully passed from this life into her eternal life on Thursday, November 11, 2021, with her family by her side. She fought hard to overcome her illness, but now she's reunited with her mother. Julie was born on June 19, 1965 in Coffeyville, Kansas to Richard Gary and Edna Marie Baker. She attended school in Coffeyville and graduated in 1983. She was a wonderful and loving caregiver to countless disabled teens and adults and was affectionally know as "Jules" to her clients.

Julie was a loving and fierce protector of her children and grandchildren. She is survived by her children, Zach and Summer Hawthorne of Bartlesville, Lacie of Neodesha, Kansas, and Winston of Independence, Kansas. She is survived by her grandchildren, Draven, Brooklynn, Stephanie, Xavier, Gracelynn, Jason and Bryson. She is also survived by her father, Richard Baker, of Nowata, sister, Tammy Rodgers (Brad) of Wann, OK, and brother Clint Baker (Stacy) of St. Joseph, Missouri. She is also survived by five nephews and two nieces, and a host of friends and extended family.

At her request, Julie has been cremated, and will have a private family service. A Celebration of Life is planned for a later date, and the family will welcome friends then. The family would like to thank everyone who has reached out to us during her hospitalization, prayed for Julie and shared wonderful memories with us.

“ Julie was such a sweet young lady. I had the privilege of coaching her in little girls city softball when she was in grade school. Not sure who was teaching who. So enjoyed my time with her. She will be greatly missed.
