“ *"Aunt" June was always the sweetest, kindest person. She babysat me when I was little and I remember how wonderfully she kept the house and how yummy her sweet tea was. (before we discovered that we weren't supposed to drink it, being "Mormon") She was a lot of fun too. I remember her cooking was fabulous. Uncle Wayne and "Aunt" June and family took us water skiing when I was small and she made the best chicken in her crock pot over coals in the sand. It was marvelous. She always had the best records to play. and I remember I learned to ride a bike at her house (not without a few bumps and bruises. She remembered us at Christmas and once she bought me a large green bottle to put plants in... She always knew just what we were interested in and was so kind and thoughtful. She and Uncle Wayne kept us out of harms way when the 7 tornadoes came through the Tulsa area. She was always very kind and supportive. She's passed that quality on to her children. I bless her memory and am sad at her passing. Thank you cousin June, give my love to "Uncle" Wayne.*
