“ *Kathleen was such a grand lady. I met her when she came to visit in Huntington Beach and knew immediately that this was a lady I could really like and have fun knowing. She always impressed me with her regal manner and how friendly she was. What a wonderful lady and I felt honored to know her. She was a gem.*

“ Trish, Your mother was a jewel. I think my younger sister Ann was one of her early students around 1957 at Garfield. Your Mom and I enjoyed watched you and Liz play basketball together. Much love to you and your family.

“ *I didn't know Kathleen very well, but we spoke on the phone a couple of times. She was a lovely lady and, of course, we have the same name so there was an instant bond. Kay often talked about her mother, saying what a wonderful woman she was. I hope the family finds comfort in all of the memories they have of Kathleen. Our condolences to all of her family.*
