“ Thinking of Kathy and her family. Fond memories!

“ I looked up to her. She was so generous and kind to my children and grandchildren. I will never forget that.  
Our father was a pastor in Tulsa and he owned half of Butler's Funeral Home. He called her "black eyed Khaki".  
I am going to miss her more than words can say. I hope she's with our parents and nephew today. May you Rest In Peace Kathy.
