“ I've been listening to ELO a lot the last few days. It reminds me of us running across the lakes in our boats, camping trips, vacations together, Christmas together, Moose Members together. I have never since had a best friend as Kathy. There were three of us at REDA that were really tight, KP, LD, and VB. Those were fun days at work. She always challenged me to the best I could be. She was beautiful, smart, funny, and inspirational.

“ The great memories with Kathy are far too numerous to list. Her mentoring and career guidance were so important to her as she helped so many of us kick off our careers. She was not only a great mentor, but a dear friend to me as well. The memories of her laughs still make me smile. The funny stories and good times will not be forgotten. Cheers to a great lady and dear friend. I know how she lit up talking about “David and the girls”, then a son in law that she was so proud of and no greater joy was in her eyes than when she talked about the boys! My deepest condolences to all of you.

“ We were so sad to hear of Kathy's passing. Our condolences to David, Ashleigh, Kerri and the rest of your family. Your Mom was an amazing, smart, funny and caring person. I am so glad our paths crossed again when Audra and Keri played softball. She was always in the stands smiling and cheering the girls on but most of all having fun. May God peace and comfort be with you now in these difficult times. She will be looking down from heaven so proud of her girls and Grandsons.
Love, Cheryl (Foote) Bill and Audra Bridendolph
