“ *Kaylin was one of my sweetest friends, I have ever had. It hasn't been that long ago that I sent her a 6th grade class picture that we were in together. She told me she was smiling because I was standing next to her. She made me feel so special. She made others feel special too. She was kind and loving.*

*Kaylin loved her kids and grandkids. She was so proud of them and everything they have done. Kaylin loved Bert with all her heart. Not more than a week ago, she told me how lucky she was to have him. She told me he had been doing everything for her since she had been sick. She had also told me they rarely ate out because there weren't many people that could cook like Bert. Praying for all of you as you go through this difficult time. Love you, Pam U.*
