“ Kelly holds a special place in my heart. As cousins, we grew up playing together at family gatherings, took dancing and twirling lessons together, and enjoyed many of the same hobbies. Later, we shared a bond as sisters in Christ. Kelly's faith and trust in the Lord throughout her illness was an inspiration to me. She exhibited joy, light and hope to the very end. God gave her a strength that I admire so much! I am thankful that I will see her again one day in eternity. My love and prayers are with Joe, with Patty, with her children and grandchildren and all those she loved so much. She was an extraordinary human being!

“ *What an amazing Lady Kelly Lannan was! She was a very loving and caring Mom! She cheered her kids on in everything that they did! I remember during swimming lessons cheering Samuel on and believing in him when he had doubts about himself! She was on the side telling him he could do it! hugging him and pushing him do his best and I saw it as well when he played sports at copan !!!! She was a great and loving wife, mother and sister! Thank goodness for the woman she was and how she changed everyone's life with her Love and smile! Joe you had a wonderful wife and so glad we all had the honor to know here! My thoughts and prayers are with you and the family! God Bless you all during this time of sorrow today and the days ahead! She was quite a trouper through her illness! Believing God was her biggest comfort knowing her heart was safe in his hands!*

“ Kelli and I meant many years ago when we both worked for St. John Catholic school. She was so welcoming to me and I don't believe I ever heard her say a bad word about anybody. She was an absolutely amazing person. Even during this hard fight she maintained an optimism, that many people would find difficult to find. I'm sure that is based in her faith in Jesus Christ. My sincere condolences to her family.
