“ My thoughts and prayers goes out to the family and friends of Kenny. I have known him over 20 yrs. and my life was blessed with him in it. I considered him part of my family. He was a hard working man and made me tired just listening to what he was gonna do or had already done. I really liked talking with him. He was a character.. Heaven will be blessed to get such a man. We will all see him again someday. He will be missed by all who knew him. RIP friend.

“ He was my Uncle Kenny. We shared the same birthday. In my first 18 years of life he only missed 1 year of celebrating with me. I will see you soon Uncle Kenny. I love you forever!!!
