“ Kenny was a one of a kind person. As a friend of his wife Marty, i watched Kenny plant and grow beautiful flowers. He also loved his dogs. I could listen to his stories for hours. He will be greatly missed by his friends and family.

“ Marty and I were roommates at OU when she and Kenneth were dating. I received a call that my boyfriend's father had died. I grabbed the first bus back to Bartlesville. We hadn't gone far when a highway patrolman stopped the bus and asked for me. Scared me to death! Ken had arrived to visit Marty and when she told him what had happened he jumped in his car to stop the bus and get me back home more quickly. Ken was a sweet guy and I'm sure there are many others who have similar stories to tell about him.
