“ *You meant so much to all of us
You were special and that's no lie
I would give absolutely anything
To have you well and standing near
Not a second passes that you're not on our minds
Your love we will never forget
The hurt will ease in time
Love you and miss you*

“ *I will greatly miss him, he was always there if I needed to get advice
or needed anything as he was with virtually anyone, he was always
willing to help others and always true to his word, he was taken too
soon and irreplaceable and life will never be the same again. R.I.P
