“ Kenny and I had some great times and laughs together in the 70's. He was a witty guy full of pranks and jokes. We would often run into each other and laugh over past events. At some point we lost contact but I have always remembered Kenny as a good friend whom I'll never forget. It was a blessing to run into him at Walmart a few months ago and was able to visit for a bit. You'll be missed my friend.

“ *Growing up in Dewey will always be a special memory for me. But having a highway patrolman living in your neighborhood made it all that more special. Every time I saw Officer Ken Parker drive by our house, it made me feel safe enough to go anywhere. (Anywhere my bicycle would take me, that is.) It was like having a superhero near by. Not only a very kind man, but a special one. I am so very sorry for your loss.*
