“ Dear Elmer and Edith,

I cannot find the proper adjectives to describe my grief. Please accept my deepest sympathies.

I remember playing basketball with him. I always thought he was such an intelligent young man.

I know words are inadequate at this time. However, I simply wanted to say.

Now, he is with God, not just in His thoughts.

You held him in your love for a few precious years. You will hold him in your heart forever.

May God comfort you in your time of sorrow.

“ *Condolences to the family. I work in Kenton's building downtown Tulsa and we shared the gym there for quite a number of years. Always enjoyed our conversations and his easy going attitude. While I'm sure hearing it is nothing new to his family, I am compelled to express my opinion that Kenton IS truly quality people. His absence weighs heavy...even at the gym.*
