“ *I only met Kim once when he and Judi met me in Waco, Texas but I thought he was a very nice man and I liked him very much. Since then I had talked to him several times on the phone about Judi and after her death I spoke to him a couple of times to check on him. I was very sad to hear that he passed.*

“ *I met Kim in 1981 as we became coworkers. Over the years, Kim became one of my favorite people! He is directly responsible for my interest in hunting and related things.... He loved his Gold Wing, I loved my Valkyrie! We had a lot of good laughs, and enjoyed times outside of work. His passing really leaves a hole in many lives..... he will be missed.*
