“ Kimberla was one of my favorite patients that I had the pleasure of taking care of. She was such an inspiration. She was always so positive and such a fighter. I enjoyed spending time with her and her mom on her many visits into our clinic. She was an amazing woman and I will greatly miss her. My love and prayers to her mom and dad (who are also amazing people).

Love,

Chris

“ I had really wanted to attend the services for Kimberla to let you know what an amazing woman she was! I didn't know her long but she has left a mark in my life I will never forget. Her faith despite what she was going through hit me at such a deep level. She was an amazing woman who loved the Lord and her family so much. Know I am thinking and praying for all of you.

“ Kimberla was one of the sweetest patients I ever got to take care of. She was always smiling, even during the rough times and knew how to bring a smile to your face and make you laugh. She had SO many stories to tell and I loved listening to every single one of them :) She also had the best restaurant recommendations and I was never disappointed. I pray for peace and warmth for her family as they go through this difficult transition

*Lots of love,
Tatiana :)*

“ Prayers covering the Dodd family and friends. This breaks my heart. Most of my most fun Jr high and high school memories were with Kimberla. She would come and watch our son play baseball when we lived in the Dallas area so we could catch up. Her beautiful smile lit up everywhere she went. Prayers and Blessings.
