Eben though you had such a short life, you have so many people that love you and will miss you so much. Great grandma and great grandpa love you and miss you and will see you again someday and we will get to hug you tight and kiss your sweet little cheeks. Until then we will be missing you everyday.

Sweet Baby Lane, you brought a bit of Heaven into our lives and you will live on in our hearts. How blessed we have been to have enjoyed your sweet, precious life for even such a tiny span of Time, but the joy you've given our hearts will always remain with us. What a strong fighter you were from the very beginning and we cheered you on with our united prayers and love until it was time for you to be with Jesus again, and now we are comforted to know He is holding you close in His loving Arms. We will greatly miss our little hero, but know that one day we will all be together again.

I love you dearly, Baby Lane, Great-Aunt Debbie
