“ Larry will be greatly missed. We will miss the Farkle games, the cookies and coffee, and the short weekend trips the four of us would take every now and then. There to give a helping hand if needed. Such a talented and kind man. A lot of fun to be around. Taken too soon. We love you Larry. Rest in peace

“ Larry is my former father-in-law. I always thought he was very smart and had a kind heart. It was obvious he loved his family and enjoyed the time he spent with them. I was also impressed with his willingness to take a risk and follow through on different career options. I will always have fond memories of the years I knew him.
