“ Dear Family: Your sweet dear mother Laura has been such a Blessing to me from the very start of our meeting. Each and every time Laura and I corresponded she was so uplifting and encouraging no matter what she was going through. Such a sweet, kind, gentle soul. We pray that God sends His Angels to surround each of you, holding you tight, as you mourn/celebrate your mother's loving legacy. God Bless
We love you, Penn and Dianne Bagnall, Tyler, TX
