“ *Lawana was not only a supportive and understanding mentor to me when I started teaching at Central, but she was also a dear friend. We traveled together to reading conferences each year and had so much fun. We enjoyed bouncing creative teaching ideas back and forth and helped each other along the way.*

Blessings and prayers to her sweet family. She was such an angel and she will be missed by us all.

I had the sweetest privilege of knowing this wonderful woman! We shared life experiences together through our church! I co taught Awanas with the older girls! I learned as much as the girls did. She loved the Lord with her whole heart ❤️ Ms.Lawana was a friend to all that knew her!!! She will be greatly missed. I pray for her family as they navigate this hard journey.RIP my friend 💔🙏❤️

Ms Brewer was a beautiful human in my life. All the years we taught together at Central were very memorable. I loved her and I loved all she did for children. She and I had our own special relationship, filled with love. The Lord called her home and I'm joyful for her to be the special angel in heaven that she's been on Earth. Lawana , I will miss you and always love you. Blessings to the family. Thanks for sharing this special lady with all of us.

“ *Oh my-what a loss for those of us who knew her - but Lawana brought so much glory to her Lord and Savior while here - what a celebration there for her homecoming. Teaching with Lawana was a huge blessing - knowing the blessing she was to so many young people at Central was inspiring. Her joy, laughter, telling of a good story - and positive attitude were wonderful. She had such a gift of hospitality and I was blessed to enjoy staying with her several times - it was always full of joy and great conversation. Praying for each member of the family to be filled with great memories and the Lord's kind Presence. The words "well done good and faithful servant" are perfect for Lawana.*
