I woke up this morning thinking about Lawrence. Why is this strange? Well, because Lawrence was my school bus driver in the 1980s. He was on my heart this morning after 30 years.. I googled him and saw that he had passed away. I am so sorry for your loss. Please know that Lawrence had a profound impact on so many lives. Such a man of God. .. Especially to this boy, now an adult that road his bus day after day in middle school! Blessings to your family..
