“ *I did not know him personally but knew he ment a great deal to his grandson Ivan. I had the chance to know him through stories told by his grandson of all the hunting trips they took together, pictures that he shared, and memories. May you all have peace and comfort in this time.*

“ My condolences go out to the whole family. I was fortunate to visit with Mr. Plisek almost on a weekly basis and at times many times a week many years ago.

I worked at Hill Steel Corp. and he would come out to pick up and drop off roll off boxes. He was ALWAYS smiling and happy. I always enjoyed our visits and will treasure our friendship.
