Dad never showed anyone nor bragged but I saw his college grades. He was so smart. Straight A's. Ever watch him do a crossword?

“ *I remember when I would visit Wayne and the family, he would share stories from the National Geographic Magazine, which I always enjoyed. When Carolyn and I were married, Wayne gifted us a subscription to the magazine. I maintained a subscription for over 30 years, and retained all the copies until they filled my available space. Never once opened one of these magazines without thinking of Wayne.*

My heart-felt condolences to all his family - his kids, grandkids, great grandkids, and at least one great-great grandkid. I know he loved his family, and wanted the best for each one of you.

Some of you I have yet to meet in person, but I think of you often.
