

## Lee Harris

November 13, 1954 - July 27, 2023

On July 27th, 2023, Lee Harris, aged 68, went home to be with Jesus. Lee was preceded in death by his parents and one older brother. Lee is survived by his son, Benjamin Harris, and Ben's wife Tonya; two brothers, Ted and Jim, as well as their wives; three granddaughters, Lindsey, Ciera, and Darian, as well as five great grandchildren.

Lee served his country in the Air Force and retired from Capital One. Lee was an avid Dallas Cowboys fan and loved OU football. Lee loved a good recliner and his fur baby dog, Delilah.

Lee made sweet tea that poured like syrup and loved his true crime shows. He never hesitated to tell those close to him that he loved them and was proud of them. He would give the shirt off his back if it meant someone else didn't have to go without. Lee loved a good recliner, and his fur baby dog, Delilah. Lee never went anywhere without a coat, regardless of the temperature, and the coat even made an appearance in his son's wedding photos. He loved riding with Delilah to QuikTrip, and his cabinet was filled with QT foam cups because he hated sweaty cups.

No funeral will be held, but a celebration of his life is currently being planned.
