“ *I'm so sorry to hear of Sweet Leslie's passing. Since the 4th grade she was always giving and caring for everyone that she loved. Facebook brought us back together after all the years of separation living our separate lives. She will forever be a great and supportive friend. Always there when you needed one. I will miss our talks and out of blue phone calls to check on me. She was a great treasure. I will miss her deeply. Rest in peace sweat heart and hugs to all those family members that were waiting for her arrival. They must be having one heck of a party she always brought the joy and the fun every where she was.*

“ So many memories from 6th grade on. Sleepovers, skate nights, giggles, boy crushes...marriages, the births of our kids and grandkids. I will miss her forever and she will always be a huge part of my heart. Until we meet again, forever our Sue-Sue. I loved you like a sister.

I knew her when I was younger. She was so so sweet and silly. RIP, I remember her smile and how her eyes were always twinkling with laughter. She cared for others so quickly and easily. Prayers for you all.
