“ Linda was an amazing lady. She was the most unselfish person always thinking of others. I remember when she was expecting Amanda, I told her she had to share with me because I had all boys. Linda said I will, I loved buying girl things. She was not only my sister-in-law but a very dear friend, we have shared many good times together and some not good. Another memory Linda was sick and we thought it was a kidney infection, so I had read somewhere cranberry juice was good for that. I go and buy her a bottle of ocean spray cranberry juice. You can imagine the look I got, but she drank it. She has never let me live that down, we laughed about that often. I will miss her so much. Thankful she is with her heavenly father and no more pain. Love and prayers for all those left. Maxine Jackson
