“ *Do not stand at my grave and weep I am not there; I do not sleep. I am a thousand winds that blow, I am the diamond glints on snow, I am the sun on ripened grain, I am the gentle autumn rain. When you awaken in the morning's hush I am the swift uplifting rush Of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and cry, I am not there; I did not die.
~~~~~ Dar, My sister, You will be missed. Rest in the arms of the angels, rest, for your job is done now. Wanda Jean*
