“ At a time such as this, it is so difficult to express how we feel. Linda was so special to me just as tho she was my sister. We shared the good and bad times, had a lot of laughs and she was a part of my family as I felt a part of hers. I will always love her and cherish the memories we had.

She is a Treasure I will always hold close in my heart...

Brenda Tucker.

“ *I hadn't seen Linda since since I was a teenager but I work at the Hospital with BJ. I loved hearing about how she was. She helped me become the kind loving person I am today. She was my favorite Sunday school teacher and such a kind sweet role model. I loved her so very much. Her whole family are all so kind. She will be missed.*

“ So long my sweet friend, Linda. Throughout my childhood and time at Matoaka, you always treated me like a little brother. You laughed with me, and you shared your love of the Lord with me. When, after so many years away, I got to see you last year, it was as it always is with true friends. We picked up where we had left off. I am sorry that life got so difficult for you because of health issues, including the premature loss of your husband. This week you are reunited with him, Rachel, Ed, Wink, Sue, and Wahoo. Rest In Peace, Sister. Thanks for being my friend.

My sweet friend always and forever. We could laugh about anything. I know you did your best to keep me out of trouble in school. We shared our hopes and our sorrows. I'll see you again one day and we'll catch up on everything. Love you sis!!!

“ Linda and I had many laughs and tears as our boys went through school together. They played football together and I remember Senior night we both cried as we waited to be called out on field to stand by our boys. Fly high my sweet friend fly high.

This Sis has been a help to me at the loss of my husband. Her encouragement & prayers along with phone calls was a great blessing to me! She still grieved over her Robert after he left for Glory! She shared how she still cried in the middle of the night when no one was around! I identified with her! She's reunited with him & rest of family & friends forever! And with our Lord! Never more to be separated! Thank you Linda for being my sis! I love you! Praying for Cassandra & all the family! Until we see each other again, my sis!
