

Linda G. McKinney

May 31, 1954 - October 24, 2021

Linda Gayle McKinney, age 67, of Bartlesville, OK, passed away on October 24, 2021. Linda was born on May 31, 1954, to Glenn and Betty (Rambo) Parker in Bartlesville, OK.

Linda met the love of her life Del McKinney and they married in Bartlesville, OK on February 1, 1979. She was a wonderful homemaker, raising three children (and all their friends). She enjoyed trying new recipes and cooking for family events and holidays. She took after her mother and loved tending to her garden which was the talk of the family. She had all sorts of flowers in her garden and later tried her hand in growing vegetables and herbs, and had recently started growing Cacti and Succulents. While Linda loved cooking for the holidays one of her favorite things to do was decorate for them also, her favorite being Halloween. Linda cherished spending time with her grandchildren and later her great-grandchildren, spoiling them to no end with countless memory makers. In her spare time, Linda was a voracious reader of all things, with her love of all things Halloween she gravitated to books on vampires, witches, werewolves, and ghosts. She read so much that some friends convinced her to start reviewing independent authors, with all the other things she was good at she had a way with words, so reviewing and encouraging others to read just came naturally.

Linda is survived by her husband, Del McKinney; her children, Justin King of Bartlesville, Cheree King of Dewey, and Amber Stephen of Bartlesville; grandchildren, Britney Radebaugh, Cole Curtis and wife Paige, Kendrick

Stephen and wife Leah, Austin Stephen and wife Sydney, Hailey Stephen, and Tanner King. Great-grandchildren, Myna Radebaugh, McKinley Curtis, Evelynn Curtis. She also leaves behind her siblings, Steven Parker and wife Myra of Bend, OR, Cheryl Marchand of Fort Worth, Texas, and Michael Parker and wife DeLisa of Belews Creek, North Carolina.

Linda's family will be holding private services and may have a public Celebration of Life at a later date.

“ I was so sad to hear this sad news about Linda. I originally met Linda online through some reader groups. I was fortunate to meet Linda and Del in person in 2014 on a trip to Chicago. She was such a fun and wonderful person. Del, I am so sorry for your loss.
