“ My deepest sympathy to Linda's family and friends. She has so many friends, because she was such a good friend and very caring. She has been missed (since the stroke) in all the places she shared her heart, Bartlesville First Church, OHCE and MUTUAL Girls Club and Tuesday House. In these organizations I worked side by side with her and learned so much! Her smile is so sweet and genuine! She was very talented, but also very private. At least two years in a row we nominated her for the OHCE Member Award or Heart of OHCE Award. She didn't want to make a show or bring attention to herself. However, she was a very classy and distinguished member in every sense of the words. Praying for peace and comfort for us all during this time.

If I'm not able to attend the service on Tuesday, know I'm there in spirit and love. "Bless your heart!"

*With much love,
