“ *I was shocked to hear of Linda's passing. Although we haven't kept in touch over the years, I will always have such fond memories of her. She bought her first horse, Baldy, from me. He was my first horse. We were in Sooner Saddlers together and spent a lot of time together. Linda will be missed greatly. I'm sure I have pictures of her around. Prayers to her family and friends.*

Oh no, I need to amend this - she didn't buy Baldy. I'm not thinking straight today. But we did ride together and I remember picking her up from her house to go to Sooner Saddler events. She had the gray and loved to ride English.

“ What a great picture of Linda. It is exactly as I remember her, with a smile. She has been such a great friend for over 35 years. I can't remember when it was the first time, but it included horses at our home in Bartlesville. She boarded her horse with me in Bartlesville, and then again in Tulsa where we always shared our passion. Linda was my traveling friend. She, Dede and I went to Houston a few years ago and had such a wonderful time with so many laughs. That is just one trip and there have been so many which was such a blessing to me. Just recently, she went again with me to Stillwater. She was so organized and always helped with whatever was needed. She loved her family and was enjoying going to the OSU games and watching Meredith on the Pom Squad. We also had that connection, too, as my daughter had been in pom including college! It has been such a shock to me and a huge loss. I can't image what a shock to her family. My deepest sympathies to her entire family.

“ I met Linda at Samson and she was such an awesome woman. She always had a smile on her face and some quirky words to ask how my day was. I didn't know her personally but I could tell she had a big heart and was always so friendly and helpful when I first joined Samson. Heaven gained a very special angel and we lost a very dear friend. She told me stories all the time about her horses and I could always count on her smile to brighten my day. My deepest sympathies go out to her family and loved ones.

“ I am lucky to be able to say Linda was a dear friend for over 30 years. It was the horses that brought us together, first as a student on her Appaloosa gelding, Speck, and later as friends. We attended riding clinics and educational events all over. I kept her much loved horse, Dawn, at my place as a baby. Linda even lived here for a while after her house burned. She often stayed here so I could travel, and what a relief that was because I knew all my critters were in the best care possible. She loved them like they were her own. She and I also shared a love of the theater and ushered at the Tulsa Performing Arts Center. We would talk for hours about little details we noticed about *The Phantom of the Opera* or *The Lion King*. Her passing is such a blow, and will leave a void in my heart for this dear kind and generous Spirit. I will miss you, Linda, my friend. My sincere sympathies to her mother, sister, and all the rest of the family.

“ Linda was among the first "horse people" I met when I moved to Tulsa and we have shared our love for horses for over 30 years. She also worked for my husband's company and was Ron's personal assistant for many years. We are shocked and saddened to learn of her passing and will always remember her with great fondness.

“ I met Linda at a barn over 35 years ago and we crossed paths many times throughout the years. When we lived in Collinsville, she house sat for us many times so we could take a vacation. We never worried about our horses, dogs, and cats while Linda was watching them. Our prayers go out to her family and friends. Linda will be missed by many.
