“ *I was fortunate to have Sonny in my class at Nowata High School in my early teaching career. He was not only kind and respectful to me but evidenced that same behavior to his fellow students. May the memories of his family and friends sustain them during the coming months and years.*

*I had the honor of being a part of Sonny's life for the last 26 1/2 years as his sister in law. Sonny was the example of what a "True Gentleman" was. His soft spoken manner was known by all but his wit and jokster side was the one I loved most, a man after God's own heart and a husband that adored his wife. A daddy that was proud of his girls and his grandkids and great grandkids always brought a smile to his face. I will miss this man deeply but knowing he was ready to meet his maker and the promise we will one day be reunited helps the grief left in our hearts. Blessings, prayers and love to all of the family.*

“ *The Man I Looked up to .  
Sonny*

*Just to share my memories of this man . Since I don't believe in chance but I do believe in providence , The Lord brought Sonny into my life through my sister Kip . He would tell the story how every time he came over to see Kip I would kick him in the shins . I did not want him taking my sister away from me . I did not know at the time he was too play an important role in my life , you see daddy died when I was 12 and this man that I had kicked would take me under his arms and teach me the things a father would teach a teenage son . He taught me the difference between honesty and integrity . Honesty is doing what is right before man , Integrity is doing what is right before God . You can't have true honesty without integrity . I am not sure if he ever said this in so many words , but he lived this before me . He took me hunting and fishing and taught me and loved me like a son . I will truly miss this man . I hope and pray the Lord enables me to be half the man He created Sonny too be . Truly My Brother in the Lord . He will be missed . Den.*
