“ *May God Bless You All During This Time of Loss and Always!*

*Toni, I know we may only know each other from the internet, but you and your caring heart and loving ways have truly touched my heart and I love you and your family as if they are my own. I am deeply saddened by the loss of your beautiful Mother!
If there is anything or any way that I can help, always know that I am forever here for you!
With love from your internet Sister, Sherry (aka @bama_tweets BamaNana)*

“ *Toni and Lori, you have our deepest sympathy. Your mom was always such a pretty lady. We would enjoy when mom and dad would come for a visit. We always laughed when Toni hated the "smell of the farm" and Lori would just as soon jump in with the livestock. Mom had a lot of IOWA in her and enjoyed these visits just as much. You will be in our prayers. Jo Ann (Tentinger) Block*
