“ *Dump had just bought a brand new Red Chevelle with a white top. Had a bug block 396 engine. Glenna and me asked if we could drive it ????? Of course our big cousin said yes! I was 9 or ten and Glen was 13 or 14. Man that car was strong. We took down the street and turned right on Sunflower burning rubber hittin the gas. The only thing wrong was we neither one of us really knew how to drive it cause we couldn't get it out of second. We only knew how ti shift it up and down LOL. We got back a Dump was just as excited about us driving it as we were! What a cuz! Always cool always clean!*

Love you Dump
